THE M FOUNDATION

The mission of the M Foundation is to secure, manage, and provide resources for the students of the Madrid Community School District with the purpose of maintaining, enhancing, and promoting personal excellent in education, athletics and the arts.

The M Foundation is an **active fund-raising and grant writing** organization created with values and principles to assist in creating the best possible small community K-12 educational environment in the state of Iowa.

As a non-profit limited liability corporation (LLC), the Foundation will provide both students and educators with resources. The Foundation will also strive to collaborate with the **community** to create a *mutually beneficial* environment.

No funds provided by the M Foundation will be used to support the regular, day-to-day operational costs of the school.

PAVE THE JUNGLE

The M Foundation's commitment to raise **\$500,000** for the *Pave the Jungle* campaign is designed to continue revitalizing our community. The impact will make it easy for people to be more active, while supporting our student-athletes. Our 36 month commitment is to construct a new track facility that will benefit the youth, adults, and seniors of our community.

We want to create a community that makes it easy for people to be active, then educate people to make the choice to have a more active lifestyle.

COMMUNITY BENEFITS

Through investing funds for a new track facility, the Madrid community will benefit from:

- A **community-based facility**, allowing all groups and organizations an opportunity for wellness and charitable activities
- A safe and comfortable resource for youth, adults, and senior citizens for **physical rehabilitation**
- Opportunities to host events, such as Special Olympics, **generating revenue** for community businesses

SCHOOL BENEFITS

Madrid schools and its present and future students will benefit from:

- A venue for **youth track and fitness programs**, including the annual elementary track & field day
- A **revenue-generating resource** from opportunity to host school, conference, and state level track meets
- A **quality facility for all our student-athletes**, including the boys' varsity track program that has won four state championships in the past 10 years

CAMPAIGN FUNDING

The M Foundation is establishing a multi-dimensional fund-raising campaign to support the Pave the Jungle campaign.

- **Sponsor-A-Meter** - a direct donation towards a specific section of the new track. Each meter is available for a commitment of \$1,000 that may be fulfilled over 36 months.
- **Public and Private Grants** - as a non-profit LLC, we will be actively seeking community wellness grants from both government and corporate sources, as well as partnership with local organizations and businesses.
- **Fund-raising Events** - the M Foundation will sponsor a number of major community events each year with the goal of providing recreational opportunities for investors.
- **Pave the Jungle with Silver and Copper** - a program encouraging K-12 students (and community members) to save and donate their loose change.
- **Alumni Programs** - a donation of the alumni's graduation year in dollars and cents (1990 would be \$19.90)
- **The M Foundation Cup** - an annual competition between all classes K through 12 encouraging community service and volunteering.
- **Community Investments** - general investments made to the Foundation used towards completion of the track.

The M Foundation also encourages non-monetary donations to support our goals. There are far too many different ways that you may be able to make a non-monetary donation to the M Foundation to list, but please keep in mind that there are unlimited ways that you can help.
